SkillSwap – Sprint 2 Meeting Minutes

Date	October 29, 2026
Time	12PM-1PM
Team	SkillSwap
Location	Zoom with TA

Attendees

- Arpita Sunnha
- Fatima Khiari
- Jamil Chahine
- Lana Nasser

Topics Discussed

1. Sprint 1 Issues

- Reviewed the remaining GitHub issues from Sprint 1.
- Discussed closing Sprint 1 issues that have already been completed.
- Agreed to make sure completed work is properly reflected on GitHub.

2. Main Branch

- Discussed updating the main branch with the team's completed work.
- Agreed that the main branch should contain the latest completed and approved features.
- Before considering the update complete, the team will make sure the website is functional, as recommended by the TA.

3. Testing

- Discussed testing the updated main branch after the completed Sprint 1 work is added.
- The team will make sure the frontend, backend, and database work correctly together.
- Any problems found during testing will be addressed before moving forward.

4. Sprint 2 Planning

- Discussed continuing to add more issues for Sprint 2.
- Agreed to meet in person on Wednesday for a more detailed Sprint 2 discussion.
- During Wednesday's meeting, the team will review the project, discuss additional FRs, and decide what work should be completed next.

Decisions Made

- Close completed Sprint 1 GitHub issues.
- Update the main branch with completed team work.
- Test the updated main branch and make sure the website is functional.
- Meet in person on Wednesday.
- Discuss and add more FRs for Sprint 2 during the Wednesday meeting.
